HOPE COLLEGE
HOLLAND, MICHIGAN

THE symbolism of bells is vibrant in our lives from the early dawn to the last sombre tolling . . . pealing joyfully or ringing the note of sorrow; tinkling merrily or reverberating thoughtfully; laughing, boisterously clanging, or chiming with the rest and peace of Sabbath; wildly sounding the tocsin or acclaiming the glad news of peace . . . they count the pulse of life. And watching over the campus the steady, untiring Chimes ring out the mighty heart-beat of Hope . . . the stolid watchman measuring the relentless tread of time and life.

CHIMES . . . THE PULSE OF COLLEGE LIFE

THIS 1934 Milestone is sincerely dedicated to our president, Dr. Wynand Wichers. We respect his counsel, appreciate his friendly co-operation with us in our activities, and admire his success in promoting the welfare of Hope.

ON a historic day, the Liberty Bell sent out a full-throated peal, calling the students of equality to hear the proclamation that meant a new life for them. It remains the symbol of great news. In like spirit, the professor summons us.

REMEMBER the unwelcome dirge
of the old school bell . . .
then, now, and always in the memory
. . . calling to classes, duty, living. . .

... In yonder airy tower shall dwell,
And witness wide and far of us ...

Addison

Although changes of circumstances have taken place since its organization, the Addison Society has remained true to its ideals. Our programs are in the fields of composition, oratory, debate, music, and dramatics. We are chiefly a literary society; yet we carry on a live social and athletic program. Our purpose is to produce men of integrated character—determined to serve—hopeful, ambitious, but not egotistic or uncultured citizens of the world.

We have assumed the name of the great English stylist, Joseph Addison, and have made him our model. The Addison Society has a unique and important place in college functions and we mean to maintain the highest efficiency in filling it. We invite any who should like to visit us. We meet each Friday evening in the Oggel Hall, situated on the north-east corner of Hope's campus.

Alethean

A year crowded full of enjoyable times spent in rollicking fun, a little seriousness, and much friendly fellowship holds before the memory's eye many delightful pictures which Aletheans will always cherish. Among these pictures is one of that night in October when nine young women became Alethean sisters; of the Greyhound trip to see the Hope-Calvin basketball game; of the cold, dark December morning when street lights disclosed myriad footprints in the snow, all leading to "The Tulip" where the Aletheans had gathered for their Christmas breakfast and exchange of gifts and greetings.

On a moonlight night in early March the Aletheans took to wheels and skimmed along Columbia Avenue and rolled down College Hill—and the last week of March the Easter atmosphere prevailed with Daffodils, spring frocks, and music.

One windy April evening—Friday, the 13th—Alethea migrated to Grand Haven to spend a pleasant evening in the home of two Alethean sisters.

Proud introductions of owned, or borrowed-for-the-occasion, mothers were a part of the Mother's Day Program held in May. All these happy occasions were climaxed by the Alethean party on that memorable night—the first of June!

Fraternity associations and activities rank among the greater contributions of college to our lives. Among a group of students, there must always exist, we believe, a diversity of interests and personalities and a peculiarity of likes and dislikes great enough to segregate the whole into parts according to a sort of unwritten law of human conduct. The accomplishment of that end should be the primary motive of a fraternity. Cosmos is glad to make this endeavor with the other fraternities. May none of us ever attempt to achieve things which will be in excess of the modest purpose of a fraternity and in opposition to the ideals of our college.

Cosmopolitan is happy to close another year of Friendship, Truth and Progress, and proud to present men in every phase of college life. We have been especially happy to entertain co-eds at our "Kid's Party" and at our Spring Banquet. Our "stags" have been very helpful to both active members and alumni. Especially we wish to thank Delphi for the fine evening we enjoyed as their guests, and to express our appreciation to the Fraternal society for the fine fellowship we enjoyed at our meeting with them.

Sh . . . It all began way back—to be exact—last October 21 when ten members of Ye Honorable Class of 1937 were with much ceremony pledged to Delphi.

We entertained them; they entertained us. They looked about, nodded their heads, and settled down to the rules of the society. Every Friday at seven-thirty a meeting is held, which includes a varied program of cultured uplifts, humorous slants on college life, and music. When other functions forbid a meeting, a tea is enjoyed—tea, delicious sandwiches and everything else that one can enjoy at four o'clock.

The social life! Ah, yes. . . . The fall party was on the night of November 23. "Show-Off," a comedy, was duly enjoyed by thirty-three Delphians plus thirty-three. When the play was over the party journeyed to Delphian Van Oss', where tempting food and gay talk furnished a felicitous climax for an enjoyable evening. And then the spring! Spring brought birds, flowers, and a Delphi party—a May party with pastel colors, soft lights, and soothing music. What could be lovelier? And so fini. Another year is added to the history of Delphi.

Dorian

Let others sing of colors gay,
 Of standards proudly born;
 But we'll acclaim this dear old name,
 The name of Dorian.

Dorian is a group of the merriest girls—jolly and full of fun. The happy times we have had together will always be treasured memories. We believe that friendship is one of the most precious gifts of life which reaches out to all humanity, and in strength of purpose and beauty of character. Cultural development has been an aim of the Dorian Literary Society. Programs each week seek to carry out this aim.

At Hope's annual Homecoming this year, the Dorians were awarded a float prize. In gay October, a group of eight new girls were entertained at a dinner and welcomed into our circle. St. Valentine's was the occasion for heart examinations at Dr. Cupid's Clinic. Love potions, heart balm, tonics, and bracers insured the members and their guests a speedy recovery.

The Spring Banquet and party climaxed a happy year together, and the Seniors bid you farewell, with

"... where'er we go, we'll always show
 Our love for Dorian."

Emersonian

A famous educator once said, "A man does not develop faster because he goes to college, he goes to college because he develops faster." The one essential of aggrandizement, and even of civilization itself, is man's ability to live in harmony with and cooperate with his peers. It is the instruction in this phase of life, so adequately administered in a fraternity, which constitutes the significance of these institutions.

The motto of the Emersonian fraternity is Love, Honor, Freedom, and Success, and as lived by the members of the order, neighborly consideration and friendship for the other fellow.

Hope College has many notable accomplishments with which to mark the year 1933-34. Athletics, Music, and Scholarship have risen to a new peak, and in all these activities the varied personnel of the Emersonian fraternity is represented. To those of us who were together during the "shortest best of our days" we can always say we shall ever be proud of the friendships we now cherish.

One hundred years ago, Union College at Schenectady witnessed the establishment of a society whose cardinal virtues were Friendship, Love, and Truth. Twenty-nine years later, Hope saw the settling of those same watch-words on its campus. As Hope grew, so Fraternal grew until today we are rightly proud of the heritage which holds so much in common.

This year has been a year of remembrance, and as such is largely the product of the Anniversary Committee of which Harvey Scholten has been chairman. Through Homecoming and the Alumni Stag, the year has been made significant to the Alumni as well as to the active society.

The social high-light of the fall term was the Armistice Day party. The Spring party and the Mid-Winter Stag were both connected with the Anniversary program. The Washington Stag was also a marked success.

Thus Fraternal is proud to enter its eleventh decade of existence. May Friendship, Love, and Truth build higher in the future than was conceived of in the past.

"Never was a happier, jollier set of men"—Knickerbocker, a society in which fellowship abounds. Unity of endeavor and common interest in the Social, Moral, and Intellectual triangle of Ruby and Black creates a group beneficial both to individual and collective improvement. Though we are proud to see Knicks numbered among the leaders in all the varied phases of college activity, the fine friendships made and fellowship enjoyed are of still greater significance to us.

Several parties, a number of "stags," an occasional "guest" dinner at the Knick Grille, and several informal open-house nights mark the social activities of a year crowded with fine memories and achievements.

Sibylline

Long years ago a group of maidens dwelt on the sunny coast of Italy. One of these Sibyls lived in the cave of Cumai. Here many came, seeking a revelation of the future among her records of Sibylline leaves. Before the cave rolled the deep blue sea, crested with silvery ripples—colors reflected in the royal blue and chaste silver of Sibylline. Because of the Greek connotation of the word Sibylline, the Sigma was chosen, and this, with a leaf representing one of the Sibylline leaves, forms the pin of the society.

Its modern chapter began in 1919 and each year new Sibyls are taken in to share the treasure of friendship. Mindful of the Sibyls of old, the modern Sibyls have been guided along the paths of scholarship as well as along paths of literary and social activity. Among these social activities, the Buffalo Bill party, the St. Patrick's Day "stag," the Mother's Day program, the Father's Day beach party, the Spring party, and the Alumni Tea were most prominent.

As the school year closes, Sibylline realizes how much can be accomplished in the way of all-around development in one school year.

Sorosis

Dear old Sigma Sigma. We will never forget that September 19th after a happy summer but a still happier, good ole get-together . . . October 21st and we welcomed our new members to keep the Sorosis spirit ever strong.

Such an old-fashioned time and what a grand party that "gay-ninety" costume ball!

Spring vacation ended with the same happy group ready to get that outside work in before June. Lest we forget, Sorosis has held nearly the highest scholastic average for the entire year.

Being entertained by the Fraternals always holds a place in our memory.

Oh Boy! That Spring Banquet on June 8th!

Though we graduate several of our members, strong and sacred bonds of friendship will keep us all Sorosite Sisters, always recalling the educational as well as the social value of such an organization.

The Pan-Hellenic Council, composed of two representatives from each of the ten literary societies on the campus, was organized two years ago for the purpose of discussing and promoting the welfare of inter-fraternity relationships. Meetings are called by the Chairman, Dr. Wichers, whenever matters of interest arise. The organization has proved very helpful in making suggestions where questions have arisen concerning parties and other activities of the various literary societies, in offering a practical contact between these groups and the administration, and in furthering a better understanding and feeling between the societies.

"Serving, I live." . . . Hope College is fortunate in being the only small college in the state to have a chapter of the Blue Key National Honor Fraternity. Blue Key is a young but growing organization whose object is to promote the welfare of the college and the students. The members are Senior men of good character and personality, recognized as leaders in scholarship and college activities.

At meetings of Blue Key, opportunity is provided for student and faculty members to discuss frankly campus problems and projects. Blue Key means better understanding, greater cooperation, and heightened interest in the future of our Alma Mater.

The Student Council, composed of a man and a woman representative from each class, and headed by Chris Walvoord, who was elected by the entire student body, has completed another year of sponsoring many student activities. Some of the more outstanding of these have been the supervision of freshman miscreants, the Freshman Trial, the Homecoming Festival, the Pep-meetings, and the All-College Banquet. The council also took an active part in entertaining guest players and others from the University of Michigan, large groups of visitors from Grand Rapids and surrounding towns, and in leading the celebration of our two Glory Days.

The purpose of the Hope Y. W. C. A.—to promote growth in Christian character and service through physical, social, mental, and spiritual training—has been pursued faithfully for the past thirty-five years. During the past year, additional activities have been inaugurated to promote a wide-awake interest in the work of the Association. The Y. W. C. A. continues to play an important part in the life of the young women of the college, helping them to build the foundation for a well-balanced life of real service.

The officers of the Y. W. C. A. for the past year were Gertrude Holleman, President; Lois De Pree, Vice-President; Lois Ketel, Secretary; and Marie Verduin, Treasurer.

With James Nettinga as President, the Y. M. C. A. cabinet, with the cooperation of the Y. W. C. A., completed another successful year of work which included assistance in orientation of Freshmen, a Freshman beach party, an All-College barn party, and the annual Week of Prayer. Joe Esther as Vice-President was responsible for the year's programs. Sherwood Price held the post of Secretary, and Kenneth Hicks as Treasurer managed to keep one jump ahead of the creditors. Other members holding various positions on the Cabinet were Christian Walvoord, John Buteyn, John Piet, Henry Kuizenga, David Laman, David De Witt, Howard Teusink, and Professor Hinkamp, adviser.

The Volunteers, a group of students who have pledged "... God willing ..." to serve Christ in a foreign land," have for another year enjoyed the fellowship of weekly meetings held for the purpose of stimulating an increased interest in missionary endeavor through a study of its problems and practical methods.

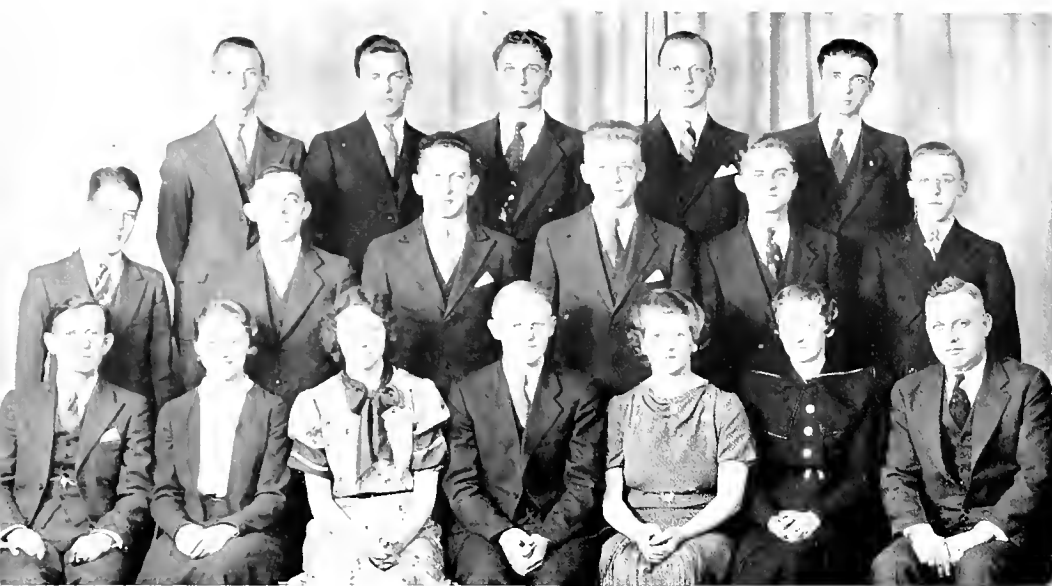

The State Volunteer Convention, held on Hope's campus, was important among the year's varied activities. Two exchange meetings between Hope's Volunteers and Calvin's Mission Band, the study of "Rethinking Missions" under Dr. A. Pieters' leadership, and the presentation of "The Color Line," a missionary play, in the local and Grand Rapids churches also featured in the group's program. Officers are: President, Harriet Boot; Vice-President, Adelaide Deelsnyder; Secretary, Anne Dethmers; Treasurer, Ethel Boot.

Last September the Divinity Guild, whose purpose is to give ministerial students an opportunity to develop their religious life and gain insight into church problems, began its thirteenth year. For the first five months of the school year the organization was guided by a very capable President in the person of Franklin Deitz. Reinhardt Van Dyke as Vice-President, and John Buteyn as Secretary-Treasurer added zeal to the executive work of the group. In February new officers were elected: Eikie Meyer, President; Maurice Snyder, Vice-President; and John Chamberlain, Secretary-Treasurer.

Pi Kappa Delta

The Gamma chapter of the Pi Kappa Delta, a national honorary forensic fraternity, has charge of all speech activities on the campus. This chapter aims to promote debate, oratory, and other competitive speech work, and to honor students who have gained proficiency in such activity. Under the guidance of Dr. Nykerk and Professors Shirley Payne, Deckard Ritter, and Bruce Raymond, faculty members of the fraternity, this group has conducted the most outstanding forensic season of the past several years.

The chapter was represented at the national convention of the Pi Kappa Delta, held April 2-6 at Lexington, Kentucky, by five of its members, Prof. Ritter, David De Witt, Ralph Danhof, Joe Esther, and Henry Kuizenga comprising the delegation. The experience of this trip reaffirmed the benefit and value of this organization.

Degrees of honor in the fraternity, the third degree, are held by Dave DeWitt, Henry Kuizenga, Ralph Danhof, and Joe Esther in debate, and Ruth Verhey and Henry Kuizenga in oratory. Marvin Kruizenga and Chris Walvoord hold the degree of proficiency, the second degree. New members initiated into the organization this year were Eckdal Buys, Richard Smith, and James Beek in debate, and John M. Vander Meulen in oratory.

Officers:

President: Marvin Kruizenga
 Secretary-Treasurer: Joe Esther
 Manager of Oratory: Henry Kuizenga
 Manager of Debate: Chris Walvoord

The Debate squad, coached by Professor Ritter, faced successfully one of the stiffest schedules ever arranged for local arguers. In the opening debates of the season, Hope won four victories, defeating Calvin twice, and earning one decision each over Western State and Michigan State. Another closely contested debate was dropped to Western State.

At the state debate tournament, held at Wayne University in Detroit, Hope won three victories but was forced to accept defeat in three others. The victories were scored over the University of Detroit, Kalamazoo College, and the Detroit Institute of Technology. The defeats were at the hands of Wayne University, Western State, and Battle Creek College.

The season was climaxed by a trip to the national tournament and convention conducted by the Pi Kappa Delta organization at Lexington, Kentucky. The two first teams attended the convention and were able to survive the first five rounds before they were eliminated. Eckdal Buys, Richard Smith, and James Beek were the newcomers to display proficiency in debate and to win the initial degree in Pi Kappa Delta.

Hope's Orators

Hope boasts a large number of fine orators. One of the best contests in her history was held to determine who should represent her this year in the oratorical contests of the Michigan Intercollegiate Speech League.

In the school contest for women, Ruth Verhey, a junior, won first place, and in the contest for men, John M. Vander Meulen, a sophomore, took first. With competition as keen as it is at Hope, the orators who win in our local contests always make a creditable showing in the state meets.

Ruth Verhey took first place in the state divisional contest, held at Hope. John M. Vander Meulen, in the men's contest of the same division, took second jointly with Alfred Fortino of Alma. A week later, at Hillsdale, the state finals were held. Ruth Verhey again won first place by a wide margin. This triumph made her state champion, an honor achieved in competition with the fifteen largest colleges in the state. John Vander Meulen failed to place in the finals. Hope is very happy to have placed two contestants in the finals this year, and Ruth's victory places Hope back in her wonted position in the field of oratory.

The forensic department acknowledges the fine work of Dr. Nykerk, head of the speech department. The splendid record of frequent victories of which Hope can boast is due in a very large degree to his efforts. This year we also compliment Miss Metta Ross on her capital success in the work of coaching Ruth Verhey to her victory.

Dr. Scott, the head of the speech department of Wayne University, stated that Ruth's oration, entitled, "Duty Is to Kill," contained the most eloquently sincere plea for peace that he had ever heard. Due to her spectacular success, Ruth has won, in one attempt, the degree of honor in Pi Kappa Delta.

Now to the students of Hope is flung the challenge to maintain our standing in the M. I. S. L. against the keen competition offered by the fifteen schools belonging to that organization.

Interpretative Reading. . . . In the spring of 1933, Hope sent Ruth Verhey as the woman participant in the state interpretative reading contest, sponsored by the Michigan Intercollegiate Speech League as Division D of that organization. Elkie Meyer entered as Hope's male representative at this festival. Dr. Nykerk's acquaintance with the best of poetry and with the art of reading helped our two entrants greatly to stand out as readers of fine discrimination.

In the fall of 1933 at Michigan State, Joseph Esther represented Hope in the state Extemporaneous Speaking Contest, Division C of the M. I. S. L. Although Joe did not place in the upper few, his work showed well in the keen competition created by the fifteen colleges represented.

David De Witt represented Hope in the Extemporaneous Speaking Contest at the Pi Kappa Delta national convention, held at Lexington, Kentucky, during the past spring vacation. He succeeded in passing through three rounds, competing with schools from the entire country, and received fine ratings from several well-known speech authorities.

Under the faculty advisorship of Professor Deckard Ritter, Hope's Poetry Club enjoyed another successful year. Meetings were usually held at the homes of Margaret Dregman, President, or of Professor Ritter, at which times various types of creative writing, both prose and verse, were read and discussed. An early-morning hike was undertaken in May and greatly pleased all who went.

Six of the members formed the Hope chapter of the College Poetry Society of America, and two of them, John Henderson, Secretary of the group, and Albert Holland had poems published in the November issue of "College Verse."

Poetry Club

A "New Deal" in journalism was ushered in under Miss Gertrude Holleman and Mr. Murray K. Rogers, who, as 1933 and 1934 ANCHOR Editors, revamped and established the staff as a systematic, closely organized unit with a distinctly new spirit of cooperation and a business-like attitude.

This year's study group staff meetings, though failing in the attempt to establish journalism on the course and credit system at Hope, have molded a truly journalistic news sheet from an historic bi-weekly.

An unprecedented Never Run in Arrears system of foundation advertising is successfully functioning under the business management of Louis Cotts.

"The Little Minister"

Anne Jackson as Babbie, Mildred Essenburgh as Nannie Webster, and Ed Damson as Mr. Dishart, the "Little Minister"

The Senior Class chose "The Little Minister," an adaptation of the famous novel by James M. Barrie, as their annual class play which was given in the Holland High School auditorium on May 2 and 3.

Miss Shirley Payne of the English department was director of the play. Her capable direction won the confidence and cooperation of all the players to a successful staging of the production.

The setting is laid among the peasant people in Scotland. Babbie, daughter of Rintoul, wishes to help the weavers and disguises herself as a gypsy. She falls in love with the "little minister" and interesting complications arise.

The members of the cast are as follows: Gavin Dishart, the Little Minister, Edward Damson; Lord Rintoul, Paul Klein; Captain Halliwell, Henry Van Raalte; Babbie, Anne Jackson; Felice, Jewel Winslow; Thwaites, Willard Ripley; Thomas Whammond, Louis Cotts; Rob Dow, James Nettinga; Micah Dow, Fred Honhart; Snecky Hobart, Marvin Kruienga; Andrew Maelmaker, Chris Walvoord; Silva Tosh, Melvin Dole; Sarjeant Davidson, Preston Van Kolken; Joe Cruilshanks, Linden Lindsay; Nannie Webster, Mildred Essenburgh; Jean, Joan Walvoord. The redcoats were Preston Luidens, John Chamberlain, Myron Van Leeuwen, and Russell Paalman. The parts of the weavers were taken by William Heyns, Harold Ringenoldus, Justin Homkes, Paul Fugazzotto, and Gerald Heersma. The weavers' wives were Marie Verduin, Beatrice Visser, Edith De Young, Martha Slowinske, and Lois De Pree.

The Drama Class, directed by Dean Durfee, presented the famous comedy, "Ladies of the Jury," by Fred Ballard, the 8th and 9th of March. The first act represents the trial of Mrs. Yvette Gordon, accused of murdering her husband, before Judge Fish and a jury composed of six men and six women. The prisoner at the bar was remarkably well played by Cornelia Stryker. The judge was Carl Zickler, dignified and stern. The prosecuting attorney, Preston Luidens, and the attorney for the defense, Marc Brouwer, succeeded in making the trial highly realistic and interesting.

The second and third acts take place in the jury room, where Mrs. Crane, who has asked many questions during the trial, now bends all her efforts to winning over an obstinate jury. This role was most convincingly enacted by Margaret Stryker, vigorously opposed by the foreman of the jury, Sherwood Price, who interpreted the part with artistic realism. The three days of duress in the jury room are greatly enlivened by the development of several love affairs, and by the efficient service of the affable bailiff Theodore Van Zanden. The final verdict of "not guilty" proves the persuasive power of Mrs. Crane.

Through the untiring efforts of Professor Deckard Ritter, the Hope College Band has passed a fine and promising season. Although small in number, this group of musicians is not lacking in spirit and co-operation and has played faithfully at all the athletic functions of the year. Lack of uniforms and of proper music and supplies has handicapped the Band this year as in the past. The organization holds forth hopes for better equipment and a still more prosperous year in 1935.

A formal concert in the Memorial Chapel on April 16th by the Women's Glee Club, and the annual Spring Concert of the Men's Glee Club on the 23rd of May completed the performances of another fine season by these two groups.

The Women's Club gave concerts in Kalamazoo and in Grand Rapids and sang in several churches in the city. Unfortunately, it was not possible to arrange any extended tours because of financial conditions in the various churches. However, bolstered by several new voices and the voice of Lois Ketel as soloist, the club has been acclaimed at every performance as a first-class musical organization.

The Men's Club rendered concerts in Grand Rapids, Spring Lake, Grandville, and several other places in the confines of Holland. The high spot of the year was hit when the club made a trip to Detroit and Cleveland. The new men showed up well on the trip, and the club and its soloist, Carlyle Neckers, were voted a great success.

Much credit is due Mrs. Grace Dudley Fenton, director of both groups, for the entirely unselfish and gracious manner in which she carries on her excellent work.

There is one group on the campus most of us never hear about. Its members are always out of sight, toiling away in the recesses of Van Raalte Hall. This is the Hope Chemistry Club.

Members must have a "B" average in all subjects, major in Chemistry, and be recommended by the faculty advisors, Dr. Van Zyl and Dr. Kleinheksel. The climax of the year comes in a trip made to large industrial plants in some metropolitan area.

The officers of the Chem Club are President, John Vanden Belt; Vice-President, B. W. Rottschaefer; Secretary-Treasurer, Earle Kropscott.

Organized in 1933 with Dr. Vergeer and Professor Thompson as advisors, the Biology Club has now completed its second successful year. All students are eligible for membership in the group, which is organized to promote an earnest search in the field of Biology, to offer an opportunity for the exchange of ideas, and for assistance in the orientation of new Biology students. Included in the interesting programs of the group were talks by prominent doctors and biologists of Holland, as well as discussions led by several students.

The officers of the Biology Club are President, Richard Van Dorp; Vice-President, Julia Walvoord; Secretary, Henry Ten Pas; and Treasurer, Leland Beach.

The Hope College "H" Club is an organization formed this year composed of all the winners of athletic awards in both major and minor sports. This organization has been founded not only to promote a social as well as an athletic fellowship among the Hope College athletes of the present, but also to bring our alumni members back to Hope every year for a reunion meeting.

The officers of the organization are Edward Damson, President; Gerald Bonnette, Vice-President; and George Good, Secretary-Treasurer.

The Hope College Chapel Choir comprises seventy-five members and was organized in 1929 by Professor W. Curtis Snow. Under the expert direction of Mr. Snow, the choir has worked diligently to achieve a fine balance, beauty of tone, and finish in execution. During these five years, the organization has sung some of the finest religious music to be found in a cappella chorus literature. This year the group, augmented by both Glee Clubs, made two very successful appearances with the Grand Rapids Symphony Orchestra.

Officers of the Chapel Choir are W. Curtis Snow, Director; Julia Walvoord, President; Marian Wray, Secretary; and William Welmers, Treasurer.

For the second consecutive year Coach Hinga's fighting Dutchmen ended the season by playing the championship game. The only defeat suffered in conference competition this year was the final game against Hillsdale. Outside the conference, the Wayne University eleven was the only team to take the Dutchmen.

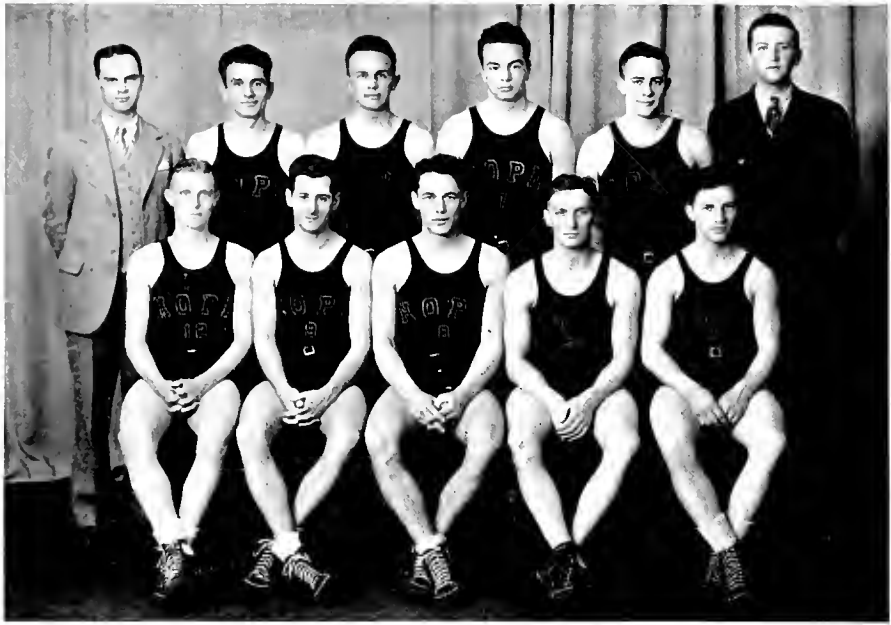

The season began with three smashing victories over Ferris Institute, Grand Rapids J. C., and Alma College. The Alma game, Hope's Homecoming contest, was perhaps the most spectacular of the season when both teams made free use of passing and both scored repeatedly. The superior passing attack of Japinga and the "never-say-die" spirit of the light, fast Hope eleven turned the tide in their favor by a 19-12 score.

Hope may be proud of a team that met but a lone defeat in conference contests, and that at the hands of the Hillsdale squad, who have won three straight conference titles. The phantom running and passing of Louie Japinga will not be forgotten soon, and the Japinga-Damson passing combination merited their selection on the all-M.I.A.A. team. Slagh, Nettinga, and Klomparens were chosen on the second team and Freeman, G. Good, and C. Tysse were given honorable mention. The Hope team was well known as the lightest, fastest, and cleverest team in the Michigan conference.

Basketball

The 1933-34 Hope basketball team accomplished a feat which has been the ambition of every Orange and Blue squad since 1927 by capturing a share of the first place honors in the M.I.A.A. race. With a record of seven wins against three defeats in conference competition, Coach Hinga's men tied with Alma for the championship. The high-light of the season was the last conference game in which the Dutchmen battled Kazoo for the title. In a nip-and-tuck struggle the Hope boys emerged with a 28-26 victory over the Hornets by taking the lead with less than a minute remaining of playing time.

This year's team will be remembered as one of the best in the school's history, for the line-up of Nykerk, Steffens, Korstanje, Van Zanden, and Dalman proved to be a scrappy outfit even against such opposition as the Western State Teachers College, one of the best teams in the country. Their ability was recognized by the M.I.A.A. coaches when the all-conference teams were selected. Nykerk, high-scoring forward, was given a position on the first team, Van Zanden, heady guard, was placed on the second team, and Steffens and Dalman received honorable mention.

The loss of Nykerk and Steffens at forward and of Dalman at guard will be keenly felt next season, but dependable reserve material and highly prospective Frosh aspirants should at least compensate partially for this loss.

Gerry Nykerk

Coach Hinga says—Co-captain Nykerk was high scorer for the season, totaling 139 points. He was second high scorer in the M. I. A. A. and was chosen on the all-conference team.

Teed Van Zanden, one of the coolest players Hope has ever produced, acted as floor leader and was chosen guard on the second all-M. I. A. A. team for the second consecutive year.

Co-captain Steffens, playing his second year on the varsity, was a dependable scorer and placed second in the list of Hope scorers.

Andy Dalman, captain last year and playing his third year at guard, was a valuable defensive man as well as a good floor man.

Louis Japinga, the fourth Senior on the squad, was used at guard and forward and was always dependable.

Gord Korstanje, playing center, was valuable both on offense and defense. His height of only six feet did not prevent his getting

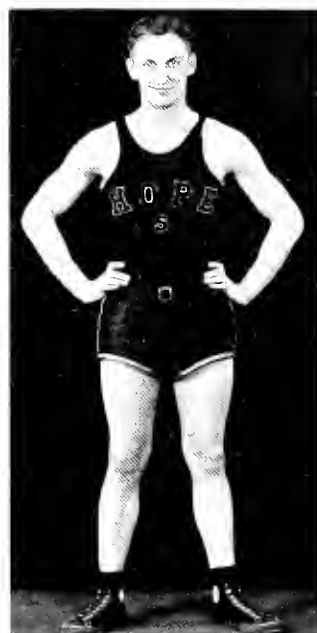

the tip-off from most of his opponents.

Gerald Bonnette, playing his second year as guard, gave some good accounts of himself and should prove valuable next year.

Ken Vander Velde proved a good man at center and still has two years of service.

Clarence Tysse was used as a utility man in almost every position on the team.

Ben Timmer joined the squad the second semester. He has two more years and should develop into a good forward.

A Banner Year for Sports

In many respects 1933-34 may be hailed as Hope's banner season in athletics.

In football Hope tied for second best honors in conference competition, and in basketball ended the season in a tie with Alma for first place, thus completing the best season during her conference membership. Another feature in the year's athletic program was the building of the fine new athletic field and track for which the Federal Government, Jack Schouten, and Dr. Wichers are to be thanked.

Still another feature in the 33-34 athletic program was the addition of golf as an official M. I. A. A. sport. This is of special interest to Hope because of her amazing record of unbroken victories against conference foes last year, when victories were scored over Olivet twice, Muskegon J. C. twice, and Albion and Kalamazoo Colleges once each. Most of these triumphs were by wide margins. Coach Hinga found Ben Timmer his number one man with Paalman number two and Scholten and Serier alternating at positions three and four. With only Serier being lost to the team, the '34 season has promise of being a glorious one.

Tennis is a "cradle" sport at Hope, but is rapidly becoming a popular one. The 1933 season found Coach De Graff of the College High School with a small group of men from whom John Muilenberg, Irving Dekker, Linden Lindsay, and Don Vanden Belt were picked for the squad. Several meets were held where Hope, because of lack of experience, was usually on the short end of the score. The most brilliant showing of the squad was in the M. I. A. A. tournament when the Hope team advanced to the quarter-finals.

The 1934 season began with Prof. Kleinheksel as coach and with 17 men reporting for training. Don Vanden Belt was chosen manager-captain of the team. This year's schedule includes matches with Grand Rapids J. C., Albion, Western State Frosh, Hillsdale, Kalamazoo, and Olivet besides the annual conference tournament at Kalamazoo College.

The Athletic Debt Diggers organization, of which Vivian Behrmann is President and Jean Bosman, Treasurer, is formed to aid the Athletic Association with its finances. Of late this has been almost unnecessary, but the A. D. D.'s have continued to sell their hot dogs and frost bites and have furnished all the awards for the Hope athletes from the profits. An unusual increase in sales has made the 1933-34 year the most profitable in its history.

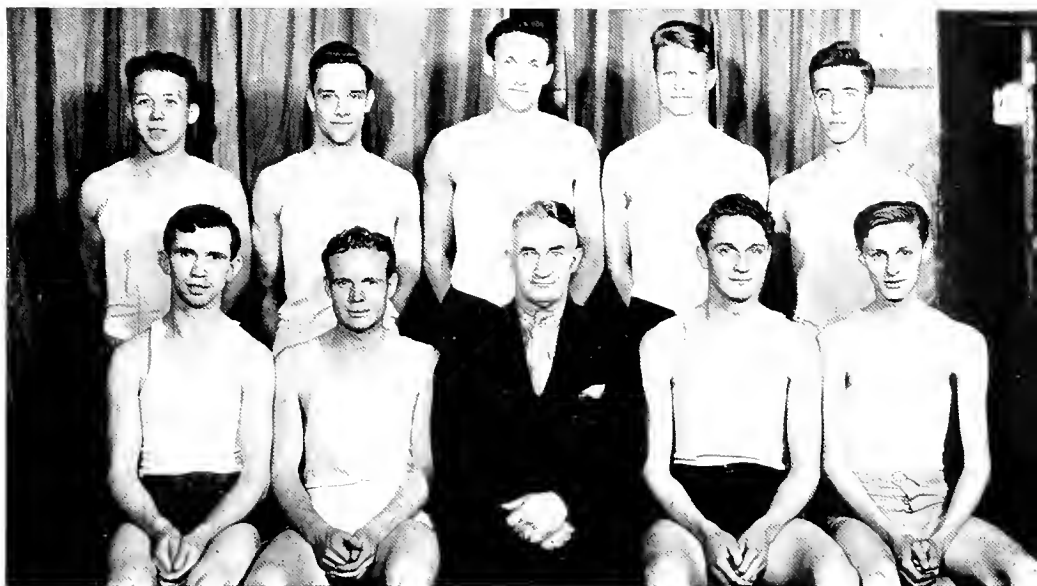

This year the girls celebrated their first banquet, held in the Warm Friend Tavern under the auspices of the Athletic Association, in conjunction with the usual banquet of the Football Team. At this dinner Miss Behrmann presented the football men with their sweaters. In addition to this banquet, several "pot-lucks" and a beach party were enjoyed by the girls.

Track, Cross- Country

Standing—Kenneth Gross, James Quist, George Douma, Winton Hotaling, Milton Spaan
Seated—Gerrit Rientjes, Harold Seelamp, Coach Jack Schouten, Joe Esther, Paul Van Pernis

Last year's track meets included only the State Intercollegiate races at Lansing and the M. I. A. A. championship meet at Albion. Hope's two varsity men gave her fifth honors in the conference meet by accounting for 10 points between them, Capt. Seekamp galloping to third place in the quarter-mile, and Joe Esther keeping his long-distance slate clean by winning the two-mile run and placing second in the mile event. In the Freshman meet, Douma dashed to victory in the century and teamed with K. Gross, Spaan, and Quist to win second in the relay while Laman took fourth in the mile.

A squad twenty strong answered to Coach Schouten's call for '34 and are anticipating five meets. The Intercollegiate races at Lansing will be preceded by a dual meet with Muskegon J. C. and a triangular meet at Hillsdale in which Albion is the other entrant. The M. I. A. A. meet comes on May 31 and will be followed by the Western Michigan A. A. U. meet at Grand Rapids in June, Hope's final athletic contest for '34.

Coach Schouten's chief aim is to build up material for a real campaign for the M. I. A. A. title in 1935.

Although Cross-Country is not an official conference sport, Hope abided by its tradition and fostered a team. Besides the all-college race, two meets were held. On October 28, Hope met Kalamazoo College on Kazoo's new course, and on November 11 met the same team on the local "Four-Mile" course. Both meets were victories for Kazoo, the first by a score of 35-20 and the second by a score of 32-23.

Captain Esther of the Hope squad led the field in both meets and had as his chief aids Maris and a new man, Hotaling. Still undefeated in conference competition, Esther won the M. I. A. A. race in the record time of 20:21 in his Sophomore year on the local course.
